THE WHITE HOUSE
WASHINGTON

~~SECRET~~

Tuesday
February 27, 1968 -- 6:45 p.m.

Mr. President:

I have marked the key passages in this CIA document on the outlook in Vietnam. So far as the decisions before you are concerned, paragraphs 11 and 13, sidelined in red (pp. 5-6), are critical.

Whether "the U.S. and ARVN regain the initiative" is really what your decision in the days ahead is about.

Walt Rostow
